

# SOARING IN SURRENDER

## INTRO

6m/// 5/// 4/// 4/// (x2)

## VERSE 1

6m  
All that we built around us  
5  
All that we held as truth  
4  
Was in a cage where  
3m 4  
We found ourselves secure  
6m  
Walking on ground was normal  
5  
Flying we never knew  
4  
We wanted stable,  
3m 4  
Predictable felt good

## PRECHORUS

6m 5  
But You created us to live for so much more than this  
4 5  
You're unravelling all that holds us from Your promises  
6m 5 4 5  
The time has come, it's time to fly upon the great unknown  
(2<sup>nd</sup> time only)  
5  
Jesus opened up the door

## CHORUS

4 5  
Uncaged I will soar  
3m 6m  
Unafraid if I fall  
4  
Spirit lift me higher  
5 1 (6m to chorus 2)  
I surrender all

## VERSE 2

Freely You gave up freedom  
Taking the form of man  
You traded glory  
For a twisted crown of thorns

Humbled to save the proud  
Emptied to save the poor  
To save the prisoner  
In obedience You walked

### CHORUS 2

4 5  
Lord I spread my wings  
3m 6m  
Let go of everything  
4  
Spirit lift me higher  
5 1  
I surrender all

### TAG x2 *(if all comfortable, go on knees with both arms outstretched)*

4 5  
We are soaring, soaring  
6m 3m  
We are soaring in surrender  
4  
On our knees  
5 6m 3m  
Jesus You're all that we need

### PRECHORUS

4 5  
But You created us to live for so much more than this  
6m 3m  
You're unravelling all that holds us from Your promises  
4m 5 6m 3m  
The time has come, it's time to fly upon the great unknown

### BRIDGE *(back to standing with all arms stretched wide in surrender to Jesus)*

4 5  
Upon that cross for all our sins You stretched Your arms out wide  
6m 3m  
In surrender Jesus I'll completely stretch out mine  
4 2m 6m  
Your body caged there in the tomb forgotten for three days  
3m  
Then you broke out and rose again
